EDUCATION

Bachelor in Science (BSc) in Computer Science & Engineering   **Passing Year:2023**
American International University Bangladesh
CGPA:3.75 out of 4.00
Higher Secondary School Certificate (HSC)   **Passing Year:2018**
Narsingdi Govt. College
GPA:4.33 out of 5.00
Secondary School Certificate (SSC)   **Passing Year:2016**
Brahmondi KKM Govt. High School
GPA:5.00 out of 5.00

PROFESSIONAL PROJECT

Leave Management System for ICTD, CCA, and BCC

- Developed a web-based Leave Management System tailored to the needs of ICTD, CCA, and BCC departments.
- Streamlined leave requests, approvals, and reporting processes.
- Integrated with HR databases for real-time leave balance updates.
- Technologies: Java, Spring, HTML/CSS, JavaScript, MySQL.

ACADEMIC PROJECT

Food Court Management System
- Developed a desktop application using C# for efficient food court management.
- Collaborated with a team to deliver the project within specified deadlines.

Bank Loan Management System
- Created a user-friendly Bank Loan Management System with a Java-based graphical user interface (GUI).
- Implemented key functionalities such as loan application processing, approval workflows, interest calculations, and payment tracking.

Airline Reservation System
- Developed an Airline Reservation System using raw PHP, CSS, and JavaScript.
- Implemented interactive functionalities including flight search, seat selection, booking, and reservation management to enhance user experience.

Online Quiz System
- Created a web-based Online Quiz System using the Spring MVC framework.
- Designed and implemented features such as quiz creation, question bank management, user authentication, and result tracking.

Pharmacy Management System
- Developed a Pharmacy Management System with a user-friendly and responsive frontend interface using React.js.
- Leveraged Laravel API for a robust backend, managing pharmacy operations including inventory, sales tracking, and prescription management.

Thesis
Speech Emotion Recognition using Transfer Learning Approach and Real–Time Evaluation in English and Bengali Language
